

Jamie Stern's Criss Cross is an elegant foil-on-suede featuring a subtle contrast of colors and a delicate pattern inspired by woven textiles. Ideally suited for low traffic applications and decorative accent work, this article has been used to upholster everything from wall panels and throw pillows to ottomans and the backs of barstools. Its signature colorway, Linen, is produced on cream-toned Italian suede splits which receive a foil transfer pattern that creates an iconic texture while retaining a timeless, soft hand.
