

Diamond in the Rough is complex, eye-catching embossed leather that fuses bright metallic colors with artisanal hand finishing. Each side is embossed with an optimal combination of pressure, dwell and heat to create a precise diamond pattern that is beautifully accentuated by a subtle antiquing effect. The resulting leather features a great deal of depth and sophistication and is ideal for any project where a dazzling flourish is desired.

SPECIFICATIONS

Content	Full Grain or Corrected Top Grain Cowhide
Country of Origin	Finished in the USA from European raw material (full grain) or South American raw material (top grain)

APPLICATIONS

Suitable for upholstery in Hospitality, Corporate and Residential applications.

PERFORMANCE

Diamond in the Rough's robust semi-aniline finish helps protect its distinct coloration, metallic sheen and sophisticated antiquing from scratching and fading in sunlight.

FLAME RESISTANCE

Cal Tech. Bulletin 117 (2013, Sec. 1) NFPA 260

CARE/CLEANING

Use damp cloth to remove dust on a regular basis. Wipe spills and markings as quickly as possible and clean with a damp cloth using a non-alkaline soap. Never use saddle soap, solvent or abrasives.
