

Fast & Furious is an essential European corrected top grain leather featuring a large embossed grain. The consistency of the leather's texture ensures that its roughly 50 square foot hides can be more effectively utilized for a great variety of upholstery purposes. This leather's notable attributes also include a water-based finish and a resilient topcoat to protect the product against spills, stains and fading in sunlight. As part of Jamie Stern's Express Collection, the 45 standard colorways of Fast & Furious are always in stock and ready to ship within 72 hours.
