

Leaps & Bounds is a luxurious upholstery leather which perfectly balances aesthetic splendor with broad applicability. These corrected top grain hides are finished with specialized water-based resins and pigments to create a brilliant metallic finish that truly brings out the richness of colors such as Catalina, Indy Bronze and Guardian's Gold while still allowing for a soft, waxy hand. In addition to its eye-catching sheen, each hide receives a protective semi-aniline finish that protects the leather against scratching and helps maintain the vibrancy of its coloration.
