

On The Double represents the high end of Jamie Stern's Express Collection. This full grain leather is aniline dyed and finished with natural oils, waxes and resins to create a smooth, waxy hand that resists scratching and fading in sunlight. A light glaze is applied to the hides to create an undeniably lustrous sheen and subtle two-tone finish, a look equally suited to bright, vibrant hues as well as understated neutral tones. As part of the Express Collection, all 28 standard colors of On The Double are always in stock and ready to ship within 72 hours.
