

Provence is a classic full grain leather with a pure aniline finish. This timeless quality is produced on the best European hides available and dyed for color only. This practice accentuates the leather's beautiful, natural characteristics including its fat wrinkles. After the dyeing process, the hides are vacuum dried to create a richly smooth surface with a glazed sheen. The end result is an elegant, naked leather which will breathe, age and develop a sophisticated patina with time and use.

### SPECIFICATIONS

Content	Full Grain Cowhide
Country of Origin	Finished in the USA from European raw material
Finish	Pure aniline
Texture	Smooth, vacuum dried hand with subtle glazing
Average Hide Size	50–55 square feet
Thickness	1.0–1.2mm
Tannage	Chromium Tanned
Custom Color Availability	Please inquire about custom color availability.

### APPLICATIONS

Suitable for upholstery in Hospitality, Corporate and Residential applications.

### PERFORMANCE

Provence is a naked leather that is simply dyed for color and vacuum dried to create a smooth hand. As an unpigmented material, natural characteristics will be visible and add to this sophisticated leather's complexity as it softens and wears in over time.

### FLAME RESISTANCE

Cal Tech. Bulletin 117 (2013, Sec. 1)      NFPA 260

### CARE/CLEANING

Use damp cloth to remove dust on a regular basis. Wipe spills and markings as quickly as possible and clean with a damp cloth using a non-alkaline soap. Never use saddle soap, solvent or abrasives.
