

Quicksilver is an essential upholstery leather renowned for both its lustrous beauty as well as its wide-ranging applications. Produced on large European hides with a protective semi-aniline finish, this corrected top grain leather features a naturalistic medium grain which is accentuated by a light glazing effect. The final result is a remarkably versatile material which resists scratching and fading in sunlight while still boasting a stylish aesthetic with a subtle sheen that is sure to make any color pop. As part of Jamie Stern's Express Collection, all 51 standard colors of Quicksilver are always in stock and ready to ship within 72 hours.
