

Drawing inspiration from the timeless turquoise jewelry of the American Southwest and the desert landscapes of Arizona, New Mexico and Utah, Sedona is a vibrant upholstery leather boasting a great deal of personality and old-world charm. This corrected top grain leather is hand-wiped to ensure each hide is unique and receives a beautiful contrasting two-tone coloration. The hides also feature a robust semi-aniline finish that protects the leather from scratching and fading in sunlight. Suitable for upholstery purposes on hospitality, corporate and residential projects alike, Sedona's wide-ranging applications and versatility are matched only by its singular beauty and sophisticated appearance.
